DEPARTMENT OF
HAWAIIAN HOME LANDS

Connecting The Home Lands

Planning for our Future. Building with Accountability.

DHHL is developing programs to ensure beneficiaries have the tools and skills to thrive in the digital world.

Our Programs

High-Speed Internet
Faster, more reliable internet for homesteads without good connections.

Training & Education
In-person and virtual training programs to support workforce development and digital know-how. Devices for schools to support students.

Community Centers
New community spaces on Maui, Hawai'i Island and Kaua'i will have internet access and training programs.

Telehealth
Improved access to healthcare without needing to travel.

Learn More

Funding
$89 million from the Tribal Broadband Connectivity Program.

Timing
Our programs are in the planning process. They will begin launching in 2026 and beyond.
